EUROPE Ltd, founded in 1997, is an independent research and advisory company working internationally. Our mission is to support the empowerment of countries in an efficient and sustainable way via research, advisory and training. EUROPE Ltd uses the unique experience of its senior staff and consultants in advising clients in the management of economic transition, in rebuilding market structures and developing the institutions of a well-functioning economy. We have completed research and consultancy mandates in English, French, Spanish and Russian languages. Our long-term relationship with a stable circle of consultants and partners enables us to multiply our strength.
